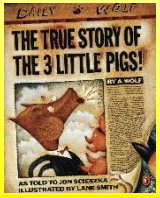
English

In English, we will be exploring a new book this half term 'The True Story of the Three Little Pigs' by Jon Scieszka. We will be looking at different language features that can improve our writing and focusing on different sentence types.
We will be writing different genres based on the book including:

- Newspaper report
- Character description

Our class books: - The True Story of the Three Little Pigs by Jon Scieszka



ICT

In ICT, we are looking at how to create emails and branching data bases

MFL

- Write sentences in French
- Sing a French Nursery rhyme
- Revise colours in French
- Types of Food
- Days and Months

PE

Athletics

- Run at fast, medium and slow speeds
- Take part in a relay race
- Throw a range of implements into a target area

Maths

In Maths, we will:

- Measure, compare, add and subtract mass (g/kg)
- Measure, compare, add and subtract capacity/volume (ml/l)
- Revise our knowledge of Fractions
- Solve missing number problems

Year 3

Summer Term 1

Our topic is: North America

Important Information:

Remember to read at least twice at home every week and log it on Boom Reader.

Our PE days are Tuesday and Thursday.

Teams is our online learning platform.

Music

We are going to continue with our Traditional instruments and improvisation: Around the world: India and then move onto Ballads

Science

In Science, we are looking at Forces and Magnets.
We will cover:

- Compare how objects move on different surfaces
- Know how some forces require contact and some do not, giving examples
- Know about and explain how magnets attract and repel
- Predict whether magnets will attract or repel and give a reason
- Describe magnets as having two poles
- Identify some magnetic materials (e.g. iron, nickel, cobalt, gold)

Art/DT

- Create a mood board
- Create a tie dye t-shirt
- Learn what paper weaving is
- Sew personalised designs on a t shirt

PSHE

Mental Health and Wellbeing

Health choices and habits; what affects feelings; expressing feelings

RE

We will be thinking about the question:

Why do people pray?

Geography: North America

In Geography, I will learn:

- Locate North America on a world map and explore the landscape
- Identify countries within North America and states within the USA
- Explore the physical geography of the Rockies
- Describe the physical geography of Mount St Helens and the impact it has had on the surrounding area
- Compare the landscapes of different US states
- Compare New York State, New York City and where I live

Useful websites

https://www.bbc.co.uk/bitesize/topics/zvsfr82/articles/znm7vk7

Key places I will learn about:

USA
Mount St Helens
Rockies
New York City

Key facts I will need to know:

- North America is a continent made up of different countries
- Washington DC is the capital state of USA
- The Rocky Mountains (Rockies) are across lots of different states
- Mount St Helens is an active volcano in Washington
- Physical Geography is the natural features of a landscape

Key vocabulary linked to my topic:

The Caribbean	Western Hemisphere	Central America	Latitude	State
Longitude	Great Lakes	Northern Hemisphere	Mississippi River	Urban
North-east	North-west	North America	Denali	Rural
Landscape	South-east	South-west	Location	Mountain range
