Dear Parents/Carers,

Digital Leaders – VR Workshop Day

We write to inform you about an exciting opportunity that has been organised by the Digital Leaders. Children in Year 1 to Year 6 will have the opportunity to take part in a Virtual Reality Workshop. During this session, each child will have their own VR Headset and will explore and become immersed in a topic relating to their year group's curriculum. It is a great opportunity for them to experience their learning up-close. Digital Leaders are very excited to share this news with you and we are certain that everyone will have a great time!

This exciting event will happen on **Wednesday 11th February** and has been funded by Friends Of Middlestown School (FOMS).

To make sure that Early Years benefit from this money, we have been looking at new technology we can buy. We are in the process of purchasing a new 'story listening centre' where children can listen to their favourite stories through the use of ICT.

Yours sincerely,

Jessica, George, Ava, Annabel, Phoebe, Lilly & Alice

Digital Leaders
