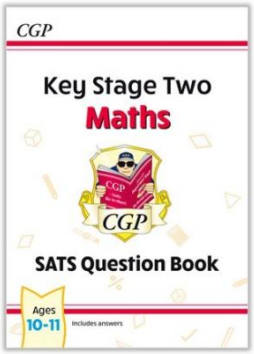
Dear Parents/ Carers,

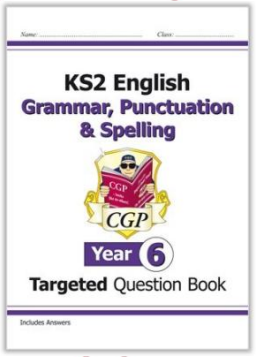
Year 6 SATS revision guides – discount price

The children are working extremely hard in preparation for their SATs. To supplement their learning in school, we highly recommend that parents buy a SATs revision guide, and in particular, we think that the children will really benefit from the two pictured below. The questions within the texts will further help to consolidate the children's learning as they are specifically targeted to help with the type of questions they will be presented with in their SATs.

These guides usually retail for £6.75 each, but we have been offered a discount by our book supplier and so would like to pass this discount onto parents:



£3.50 each



£3.50 each

The children can work through these books at home and/or in school. Either way, we know that they will prove to be a really useful guide in helping them feel more confident and more able to answer the questions, when it comes around to SATs week.

If you would like to purchase them for your child, please log onto MCAS and locate them under the 'products' heading. We will then give these to your child in class.

Kind regards,

Miss H Cooper
Office Manager
