1st June 2026

Dear parents/ carers,

Sports Week 2026 – Monday 15th June – Friday 19th June

National Sports Week is something that we celebrate every year at Middlestown Primary Academy and is one of the most exciting weeks in the academic calendar. In Sports Week, we invite 10 different coaching companies into school to lead 'taster sessions' of their sport to each class. This allows the children to try out lots of different sports; some sports they may not have done before, and others led by clubs in the local area.

This year, the children will be taking part in 10 sports including skateboarding, orienteering, boogie bounce, yoga, cricket, dragon ball, tennis and rounders!

The cost of running these sessions comes from the school budget however, the cost of these has increased and we are therefore asking for a voluntary contribution of £1 towards the funding of Sports Week. This can be paid via MCAS under the 'products' tab.

Your child should attend school all week in PE kit (no football shirts please) so they are always prepared for the sports they are participating in each day. We understand that it might be difficult to get the school PE kit washed and ready for another day, so children can also wear a plain t-shirt if needed. Children in lower foundation can wear a plain t-shirt with shorts/leggings and trainers.

It is also important that during this week your child has a water bottle in school. Please can you also apply suncream to your child in the morning and ensure that they bring a hat to school if it is a hot day.

Thank you for your continued support.

Miss I Thornhill
PE Lead
